Mr.YashShah
Student,Batch2023–27
FacultyofEngineering&Technology
GLS University

Subject: Letter of Appreciation – CyberShadez 2026

On behalf of the Faculty of Engineering & Technology, GLS University, we extend our sincere appreciation to Yash Shah [redacted] for his outstanding leadership and dedication in successfully coordinating CyberShadez 2026.

As a Student Coordinator, he efficiently managed the Track 3 events, which witnessed participation from 300+ students, demonstrating exceptional organizational, managerial, and leadership skills. His ability to coordinate speakers, oversee event execution, manage logistics, and ensure smooth operations was instrumental in the grand success of the festival.

In particular, the flagship event *"Rise of Agent – No Repetition. Just Automation."* showcased his forward-thinking approach by introducing students to practical automation using n8n. The event reflected strong planning, structured execution, and impactful technical engagement.

CyberShadez 2026 was made possible through his commitment, vision, and execution excellence. His contribution significantly enhanced the academic and professional exposure of participating students.

We highly appreciate his efforts and wish him continued success in his future academic and professional endeavors.

With best regards,

Dr. Rakesh Vanzara
Dean - Faculty of Engineering & Technology
